NOTICE OF ERROR IN SMALL ENTITY STATUS AND PAYMENT OF DEFICIENCY OWED UNDER 37 C.F.R. § 1.28(c)

Sir:

Small entity status was established in the above-referenced patent application and the issue fee was correctly paid as a small entity. However, the patent was no longer entitled to small entity status at the time of payment of the maintenance fee on December 17, 2007. A good faith error appears to have been made in erroneously paying small entity fees for the maintenance fee.

As required under 37 C.F.R. § 1.28(c), to correct this oversight and in order for the good faith error in small entity status to be excused, we hereby submit an itemization of the erroneous small entity payment and the differential fee, together with the deficiency payment.
